

Year 6

Here are some ideas to help with your child's learning this week.

Monday

- Complete a task from the Maths folder on J2e. Don't forget to use your checking methods before using the answer sheet.
- Write a discussion text where you give both sides of an argument to tell us whether cats or dogs are the superior pet. Share your final version on Twitter using the hashtag #BGP6 so the world can decide
- Design and make a WW2 or Water Worlds inspired board game that could be played at home or interactively over video chat.

Tuesday

- Choose one of the maths skills on <https://mathsframe.co.uk/en/resources/resource/556/Maths%20Penalty%20Shoot-out> and keep practising until you can score 5 penalties on every level.
- Write or film a book review for one of the most recent books you've read. Mr Middleton and Mr Bennett would love to see these shared on Twitter using the hashtag #BGP6.
- PE with Joe Wicks <https://www.youtube.com/user/thebodycoach1>

Wednesday

- Ask an adult to choose a book. Turn to page 25 and then turn the words into a graph. You could graph by word length, word type (noun/adjective etc), or by how many vowels they have.
- Read 40 pages of a book you've had in your house for ages but have never read. Don't give up too early.
- Create a portrait of someone inspirational to you and use adjectives to describe them to fill the background. Again, we'd love to see them so share on Twitter using the hashtag #BGP6.

Thursday

- As accurately as is humanly possible, create a scaled map of either your bedroom or your garden, including a grid, items of interest and key measurements. For an extra challenge, work out the areas (in m²) of different sections and label accordingly.
- Complete the following grammar task <https://uk.ixl.com/ela/year-6/choose-the-synonym>. Cofia: A synonym is a word that means the same as another word.
- Read one of the Nici A Cris books that are on your J2e files in the Topic Folder.

Friday

- Complete a task from the Maths folder on J2E.
- Complete one of the reading comprehensions from your English folder on J2e.
- Create an information text about a country you would love to visit. Tell us everything interesting about the place, its history, geography, people and tourism.
- PE with Joe Wicks <https://www.youtube.com/user/thebodycoach1>

Wherever possible, we would love you to share the work you've done on Twitter to inspire others and keep everyone motivated. If you do, please use the hashtag #BGP6.

Stay healthy and keep going,

Mr Middleton, Mr Bennett, Mrs Smyth and Miss Williams.
