

Year 3 Home Learning Guide
Week beginning 29/06/20 (suggestions)

The activities do not need to be printed off; you can complete them any way you choose. We'd love to see your work posted on Twitter using **#BGP3**.

	Daily	Maths/ Numeracy	Literacy	Topic
Monday	Maths Seeds (short sessions)	Maurice the magpie has been on the lookout for shiny objects again. He has found 3 silver coins.  What coins could they be? What different totals could the coins make? What if one of the coins had 2 colours? How many totals can you make now?	Think of a topic and write as many words as you can in one minute. Now try with a different topic. How many different words can you think of for each topic? Which one was the easiest? Here are some ideas for topics: <i>school, Roald Dahl, rugby, summer, pets.</i>	Plan a sports day that you could do at home. Think about the different type of activities that you could do. Would you have an obstacle course? Think about different events that would suit different skills. Some children will be good at balancing where as others might be good at running or jumping at a distance. Create a timetable and a list of items that you will need.
Tuesday		Click on https://www.youtube.com/watch?v=8_k5gYmtwo8&feature=emb_title and watch the clip to complete the ice cream challenge. Share your workings out on Twitter with #BGP3	Here is a list of dull sentences, have a go at making them more detailed, interesting or powerful. <ol style="list-style-type: none"> 1. The worm went. 2. The man got the drink. 3. The dog came along the road. 4. The woman ate stuff. 5. The man looked at the stuff in the shop. Think of your own dull sentence and improve it!	You will need to let everyone know about your sports day. Design a poster to share the date and location of your sports day. Create a certificates to award the competitors that would take part in your sports day.
Wednesday		Ben bought a football. He gave the shopkeeper 6 coins to pay for it. What could Ben have paid for the football? Look at your answers. Which ones are reasonable amounts to pay for a football?	Click on https://www.bbc.co.uk/bitesize/topics/zwwp8mn/articles/z37xrxw and watch the clip about pronouns. Once you have watched it; go to the next section and highlight the pronouns in the text.	The competitors in your sports day will need refreshments. Design and create your own smoothie. Research some recipes and create a shopping list. Research the benefits of your ingredients – what vitamins will your smoothie have?
Thursday		Thomas the Baker has three bags of flour. Each is a different weight. The first and third weigh 11kg altogether. The first and second weigh 7kg altogether. The second and third weigh 8kg altogether. What is the weight of each bag of flour? 	Return to https://www.bbc.co.uk/bitesize/topics/zwwp8mn/articles/z37xrxw and complete the last two activities on the page. You will need to highlight words that could be replaced with pronouns. Once completed, you can complete the pronouns quiz.	Now that you have a shopping list for your ingredients, find out how much it would cost to make a smoothie for 1 person, 5 and 10 people. If you wanted to raise money, how much would you sell them for? What profit would you have if you sold 10, 20 and 15 smoothies?

Friday	<p>Martin the magician has chosen four different cards that add up to 20. There is a number from 1 to 8 on each card. What are they? There are seven different possibilities. Try and find them all.</p>  <p>What if Martin has three cards that add up to 16? Share your workings out on Twitter with #BGP3</p>	<p>Open the Self Pronouns document. Read the sentences and decide which pronoun should be used.</p>	<p>Listen to 'Summer' from 'Four Seasons' by Vivaldi. Think about which instruments you can hear. Draw pictures to go with the music. How could you show the tempo going fast or slow? How does the music make you feel? https://www.youtube.com/watch?v=KY1p-FmjT1M</p>
