

Rec - Home Learning Guide

Week beginning 04/05/20

We'd love to see your work posted on Twitter using #BGPRC

	Daily do task (short sessions on the following learning tools)	Maths/Numeracy	Literacy	Wider Learning
Monday	Listen to and/or sing Jolly Phonics song https://www.youtube.com/watch?v=U2HYM9VXz9k&t=6s	<u>3D shape</u> Put your shape glasses on and have a look for 3D shapes around your house. Can you find a sphere, cube, cone and a cuboid? Take photos of the shapes you have found. http://www.sheppardsoftware.com/mathgames/earlymath/shapes_shoot.htm	Play the game 'Odd one out'. https://www.phonicsbloom.com/uk/game/odd-sound-out?phase=2 Say what you see in each of the pictures and focus on the first sound you make when saying each word. Which picture is the odd one out?	Can you draw/paint/make your favourite minibeast or bug? Can you research it and write some fun facts about it? You could use the child friendly google- https://www.safesearchkids.com
Tuesday	Read together and discuss the story. Count up to 20 forwards and backwards	If you haven't already, sign up free to The Maths Factor. There are fun daily challenges and lessons plus a games practice area. When signing up, click on Reception year group. Click the link below: https://www.themathsfactor.com	Try making up some of your own silly tongue twisters using lots of words that start with the same sound! You could start with using your name e.g. 'Dan drew dancing dinosaurs!' How fast can you say them? Extra Challenge: Try writing your own tongue twister down and draw a picture to go with it.	Butterflies are symmetrical (a mirror image of both sides). You could fold a piece of paper in half, open it, add paint to one side only, fold it again and press the paint. Open it up to see both sides the same. You can then cut out a butterfly shape when it is dry.
Wednesday	Practice letter formation https://www.youtube.com/watch?v=VCI2wudcW3M Practice number formation	<u>Counting challenge</u> Can you count up to 30? Can you count up to 50? Can you count up to 100? Choose a number between 10 and 20. Can you tell your family how many tens and how many others (units) are in the number. http://www.ictgames.com/sharkNumbers/mobile/index.html Have a go with numbers up to 29.	Read a book or chapter of a story together. Who is the author? What was your favourite part? Who was your favourite character? Why? Talk to your family about why you enjoyed it.	Competition Time!! The Eisteddfod are holding their competitions online this year. Click on the link below for the different competitions and rules. There are lovely ideas such as living room dance, talented pets, go for a walk around art etc. Please also upload your entries to our Twitter account. #BGPRC http://s4c.urdd.cymru/en/
Thursday	Sing days of the week song https://www.youtube.com/watch?v=mXMofxtDPUQ	<u>Maths Scavenger hunt</u>  Find 2 teddies. Find 4 shoes Find 6 books Find 8 spoons Find 10 toys. What do you notice about the numbers?	Play 'heads up.' Ask a partner to draw a picture of an object on a piece of paper/post-it and stick it to your head. Can you ask questions to try and guess what it is?	Sing a rainbow song. Have a look online for a song all about rainbows, for example 'I can sing a rainbow' or 'Over the Rainbow' What would you like to find in your pot of Gold at the end of a rainbow?

Friday		<p><u>Playdough numbers</u></p> <p>You can either use ready made playdough or have a go at making your own. There are lots of recipes online.</p> <p>Have a go at making play dough numbers up to 10 or 20. Can you make the correct amount of balls or shapes to match the number.</p>	<p>Pretend to be a character from a book or tv show you enjoy. Have your family ask you questions and it's your job to answer the questions as the character. You could take it turns with your family to be different characters and ask each other questions. You may even want to dress up.</p>	<p>How are your seeds coming along? Are they starting to grow? Can you collect some leaves safely, and do some leaf rubbings? See what different patterns each leaf has.</p>

Please visit the 'Swansea Virtual School' website - www.swanseavirtuallschool.org which has a range of educational websites, free resources, lesson ideas and tasks to keep your children busy during the school closures.
