

Year 4			
We hope you are all well, here are some ideas to help with your Child's learning this week. We love seeing what they have been up to so please continue to share any learning on our Twitter page @BGrovePrimary using the hashtag #BGP4			
	Daily activities	Activity AM	Activity PM
Monday PE with Joe Wicks	<ul style="list-style-type: none"> • Spelling practise • TT • Rockstars • Reading Eggs/ Maths Seeds • Reading 	Maths Complete a lesson from the Swansea virtual school website. There are daily activities, so there are plenty to choose from. https://swanseavirtualschool.org/daily-lessons/	Healthy Me Watch the video on the digestive system. Create a poster on paper or on laptop presenting all the information about the digestive system. Include diagrams and key facts. https://kidshealth.org/en/kids/bodymovies.html
Tuesday		Literacy Thinking about the descriptive language you have been using during your time in year four. Your challenge is to blindfold yourself, now describe your surroundings. What can you smell, hear, or feel? Now imagine you are on a strange planet blindfolded, write a short story about your experience.	Art Using your imagination, create your strange planet, this can be done by drawing, playdough or objects from around the house or outside. You could also create the aliens that live on your planet.
Wednesday PE with Joe Wicks		Maths Complete two or as many of the fraction activities as possible from your J2e folder-week 8 th June.	Literacy Play the game Crystal Explorers. Try the spelling game first. If you enjoy it try some of the other grammar activities. https://www.bbc.co.uk/bitesize/topics/zkbf4j/articles/zbm8scw
Thursday		Literacy J.K.Rowling has been releasing new chapters of her new book The Icabog. Go online to read some of the already released chapters.	Healthy Me Watch the video on the digestive system and complete the activity below. Test your knowledge. https://www.bbc.co.uk/bitesize/topics/z27kng8/articles/z9wk7p3

		<p>Now enter the illustration competition to see if your fantastic artwork makes it into one of her books. https://www.theickabog.com/home/</p>	
<p>Friday PE with Joe Wicks</p>		<p>Healthy Me Using the link below, create your own digestive system. Share pictures on twitter. https://www.science-sparks.com/digestive-system-model/ Challenge: Create a presentation on the digestive system. Record and save to J2e or twitter. Challenge: Create a presentation using Minecraft.</p>	

Support for downloading Minecraft- <https://youtu.be/LNIMPIIncoes>
